INSTRUCTIONS

This form shall be executed and filed in **QUADRUPPLICATE** with the District Office of the Oil Conservation Commission, covering **each unit** from which oil or gas is produced. A separate certificate shall be filed for **each transporter** authorized to transport oil or gas from a unit. After said certificate **has been** approved by the Oil Conservation Commission, one copy shall be **forwarded to the** transporter, one copy returned to the producer, and two copies **retained by the** Oil Conservation Commission.

A new certificate shall be filed to cover each **change in operating** ownership and each change in the transporter, except that in the case of a **temporary** change in the transporter involving less than the allowable production for **one** proration period, the operator shall in lieu of filing a new certificate **notify the Oil Conservation Commission** District Office, and the transporter authorized by **certificate** on file with the Commission, by letter of the estimated amount of **oil or gas to be** moved by the transporter temporarily moving oil or gas from the **unit and the name** of such temporary transporter and a copy of such notice shall **also be furnished** such temporary transporter. Such temporary transporter shall not move **any more** oil or gas than the estimated amount shown in said notice.

This certificate when properly executed and approved by the Oil Conservation Commission shall constitute a permit for pipe line **connection** and authorization to transport oil and gas from the property named therein **and shall** remain in full force and effect until

- (a) Operating ownership changes
- (a) The transporter is changed or
- (c) The permit is cancelled by the **Commission.**

If any of the rules and regulations of the Oil **Conservation** Commission have not been complied with at the same time this report is filed, explain fully under the heading "REMARKS."

In all cases where this certificate is filed to cover a **change in operating** ownership or a change in the transporter designated to **move oil or gas**, show under "REMARKS" the previous owner or operator **and the transporter** previously authorized to transport oil or gas.

A separate report shall be filed to cover each producing **unit** as designated by the Oil Conservation Commission.
