Gentlemen:

The following well has been classified exempt marginal and for this reason a current deliverability test is not on file. The well has now been removed from the exempt status and a test will be required for allowable assignment purposes.

Nickson #11, L-11-26N-8W, Basin Dakota deliverability test for this well and submit the new test as soon as possible.

Thank you.

Very truly yours,

Ernest C. Arnold
Supervisor, District #3
