Dear Ms. Gunter:

 The division received your applications April 22, 2002 and has since called and/or written requesting more info as necessary to complete the order.

Since we are not permitted to hold pending applications past 30 days, your applications are being returned to you.

If you wish to pursue approval of surface commingling for these wells, it will be necessary for you to file new applications.

If I can be of further assistance, please call me at (505) 476-3448.
