API #30-039-07266

Dear David:

Attached is the information you requested January 22, 1997 for our application for down hole commingling of the Dakota and Mesa Verde in the above well. Included is the monthly producing rates for the Dakota, and production curves for the Mesa Verde and the Dakota.

Please let me know if you need any further information. Thank you for your consideration of this application.

Sincerely,

Peggy Bradfield
Regulatory/Compliance Administrator

Re: Downhole Commingling Application
San Juan 28-6 Unit No. 116

Dear Ms. Bradfield:

Please supply the following information which was not contained within your application dated December 16, 1996.

Item No. 7, Form C-107-A

Basin-Dakota Pool producing rates. If shut-in, oil/gas/water rates of last production and dates. If producing, date and oil/gas/water rates of recent (within 60-day test).

Attachments

Basin-Dakota Pool production curve for at least one year. If not available, attach explanation.

If you should have any questions, please contact me at (505) 827-8184.

Sincerely,

David Catanach
Engineer
