Re: San Juan 28-7 Unit #91 B-34-28N-7W
Florance #122 E-10-30N-9W
State Com H #2 B-16-30N-9W

Dear John:

The annual packer tests on the referenced wells indicate communications between the producible zones.

In order to comply with Rule 112-A and the order authorizing the multiple completion, you are hereby directed to initiate immediate remedial activity.

Yours truly,

A handwritten signature in cursive script, appearing to read "Charles Gholson".

Charles Gholson
Deputy Oil & Gas Inspector
