Re: Cancellation of DC-249

Gentlemen:

Reference is made to your letter of January 12, 1956, in which you requested cancellation of temporary permission as granted in Administrative Order DC-249, dated October 31, 1955.

This temporary permission as granted in DC-249 was for your San Juan Unit 28-6 Well No. 47-15, in Section 15, Township 28 North, Range 6 West, Rio Arriba County, New Mexico. This was to be a gas-gas dual between an undesignated Pictured Cliffs gas pool and the Blanco Mesa-verde gas pool.

Dual Completion No. 249 is therefore cancelled as of this date, per your request in that you have completed the above well in only the Blanco Mesaverde gas pool.

Very truly yours,

W. B. Macey  
Secretary-Director
