Mr. V. B. Macey Secretary-Birector New Mexico Gil Conservation Commission P. O. Bex 671 Santa Po. New Mexico

Dear Mr. Macey:

Please refer to your latter of October 31st granting Pacific Northwest Pipeline Corporation temperary permission to dually complete our San Juan Unit 88-6, Well No. 47-15, located 990 foot from the south and wast lines of Section 15, Semaship 85 North, Range 6 West, Rio Arriba County, Nov Mexico.

This is to advise that due to a change in plans this well has been singularly completed in the Mesa Verde formation.

Please cancel the permission for the dual completion of this well.

Yours very truly,
