		HISTORY OF	OIL OR GAS WELL
It is of the g	reatest importance to h	nave a complete histor	y of the well. Please state in detail the dates of redrilling, together
with the reasons	for the work and its r	esults. If there were	any changes made in the casing, state fully, and if any casing was f the well has been dynamited, give date, size, position, and number
of shots. If plugs	s or bridges were put i	to test for water, stat	te kind of material used, position, and results of pumping or bailing.
