Supplementary History

NOTE: Report for multiple completion on Well  
Completion or Recompletion Report and Log form.

1. This report is to be filled out for each well back to a different reservoir or for each well back to a different position. It should give pertinent data, including estimated date of starting any  
work on well. If well is already drilled, give subsurface location and corrected and true vertical depths for all markers and zones perti-  
nent to work.) \*

Flowing well 6 hours each day 3 days a week. Recovered small frac water approximately  
2-3 gal. per day. Gas volume 100 Mcf per day.

18. I hereby certify that the above is a true and correct copy of the original.
