13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

It is proposed to renew the temporary abandonment status for this well for another year to evaluate the potential of recompletion to the Mesaverde pool. Numerous Mesaverde recompletions are being done in this unit and will be considered for this well in our 1997 work plan.

As requested, a casing integrity test will be performed on this well.
