Re: Delinquent Initial Deliverability Tests

Gentlemen:

Our records indicate that the initial deliverability tests for the below listed wells are delinquent. Order R-333-F-2 subjects the wells to loss of one day's allowable for each day the test is late. Non-prorated wells will be ordered shut in one day for each day the test is late.

—Valencia Canyon Unit #38	D-24-28N-4W	First delivered 9-8-78	Test Due 12-7-78
Valencia Canyon Unit #39	K-24-28N-4W	First delivered 11-6-78	Test Due 2-4-79

If you have any questions, please call this office.

Yours truly,

Frank T. Chavez
Deputy Inspector
