RE: Application for Unorthodox Location  
Tenneco Price Com 5, SE/4, Sec. 11  
T28N, R8W, San Juan County, NM

Gentlemen:

Attached in duplicate (to each office) are a well location plat (C-102) with a sketch of the surrounding conditions and an ownership plat for the above referenced well.

Due to topographic and non-standard section size, the well was placed where it does not meet State spacing requirements. It is the only geologic and topographic site acceptable.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a waiver of objection.

Pursuant to the authority of Rule 104-F we respectfully request your approval of an exemption to the standard well location requirements.

Yours very truly,

TENNECO OIL COMPANY
