Re: \$5,000 One-Well Plugging Bond
Sandi Production, Inc.,
Principal, United States Fidelity
and Guaranty Company, Surety
El Poso Ranch Well No. 1,
Rio Arriba County
Depth: 4,999 feet
Bond No. 29-0130-10525-81

Gentlemen:

The Oil Conservation Division hereby approves the
above-referenced one-well plugging bond effective
July 31, 1981.

The Oil Conservation Division requires all
one-well bonds give the exact well location by the
footage description, example: 660 feet from the South
line and 660 feet from the West line. Therefore
please issue a rider to this bond with the well
description including section, township and range.

Sincerely,

JOE D. RAMEY,
Director
