RE :Petroleum Development Corp El Poso Ranch

Dear Rand:

Petroleum Development was notified January 3, 1995 in regards to the attached list of wells. I have issued a number of extensions and had several phone conversations pertaining to bringing the wells into compliance. To this date there has been no production reported or remedial work performed on the wells. Please docket a case calling Petroleum Development and all interested parties to appear and show cause why the listed wells should not be plugged and abandoned in accordance with a Division approved plugging program.

Yours Truly,

Johnny Robinson  
Deputy Oil & Gas Inspector
