Re: Administrative application for an exception to Division Rule 104.C (3).

Dear Mr. Welch:

 This letter acknowledges the receipt of your administrative application dated August 13, 2001 to recomplete XTO Energy, Inc.'s existing Carson Federal "G" Well No. 1 (API No. 30-039-25444) to the wildcat Nocimieto formation at an unorthodox subsurface gas well location 1662 feet from the North line and 2253 feet from the East line (Unit G) of Section 25, Township 28 North, Range 4 West, NMPM, Rio Arriba County, New Mexico, within a standard 160-acre gas spacing and proration unit comprising the NE/4 of Section 25.

The Division received this application on August 14, 2001, accepts it as an administrative application, and assigned it NMOCOD application reference No. *pKRV0-122730120*. Please refer to this number in future correspondence with the Division.

Our preliminary review indicates that the information provided in the application is not sufficient to process an administrative order. The following information is necessary:

A completed and signed "**Administrative Application Checklist**", which is now mandatory for such filings.

Since the submitted information is insufficient to review, the application was ruled as incomplete on September 17, 2001. Please submit the above stated information by Monday, September 24, 2001.

The Division cannot proceed with your application until the required information is submitted. Upon receipt, the Division will continue to process your application. The additional information can be faxed to (505) 476-3471, or mailed to the Division in Santa Fe. If the necessary information is not submitted, your application will be returned to you.

Should you have any questions concerning this matter, please contact me in Santa Fe at (505) 476-3465. Thank you.

Sincerely,

Michael E. Stogner
Chief Hearing Officer/Engineer
