Mr. Frank Chavez,

The following surveys are from AMPOLEX USA, INC.'s 'CEDAR CANYON #22-K' well drilled in Rio Ariba County, New Mexico in November of 1995. Halliburton Drilling Systems provided directional drilling and (MWD) surveying services on this well. I have annotated the survey report to reflect what type of surveys were taken and any assumptions I have made.

If you have any questions please call me in Casper at (307) 265-2050.

Sincerely,
