13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

An APD to drill this well was approved February 27, 1996. Conoco did not get this well drilled during its 1996 drilling program. However, we do plan to drill it during the first half of 1997.

Therefore, it is requested that this APD be extended for another year.
