State of New Mexico
Oil Conservation Commission
P.O. Box 871
Santa Fe, New Mexico

Gentlemen:

El Paso Natural Gas Company, as an offset operator, has no objection to the dual Pictured Cliffs - Mesaverde completion proposed by Consolidated Oil and Gas, Inc., for the Linda No. 1-31 located in Unit M, Section 31, Township 27 North, Range 8 West, San Juan County, New Mexico.

We also have no objection as unit operator of the Huerfanito Unit, but have advised Consolidated that they should send a copy of this application to Mobil Oil Company as they own offsetting Mesaverde rights under certain acreage in the Huerfanito Unit.

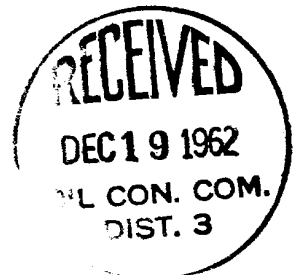

Yours very truly,

Charles Higgins
