Dear Sir:

In accordance with the provisions of Order No. R-1410-C, dated September 16, 1960, new acreage dedication plats (Commission Form C-128) are herewith submitted for administrative approval. All wells were drilled prior to the issuing of this new order.

Regarding the Standard Angels Peak Gallup Oil Unit, shown on the enclosed Forms C-128, on which two wells are located, application for approval of this unit are hereby made by reason of the provisions of Rule 3(a) of Special Rules and Regulations for Angels Peak-Gallup Oil Pool under Order No. R-1410-C. Both wells, McAdams No. 3 and McAdams No. 5, are classified as oil wells by provisions of Rule No. 5 of the above order, as shown by the last scheduled G.O.R. test on file with the Commission.

By registered mail, offset operators are being furnished copies of this letter and copies of the well location and acreage dedication plat, Form C-128.

Data in Section B of Form C-128 was taken from the original Form C-128 on file with the Commission, which was filed at the time the wells were drilled.
