Re: R & G Drilling Co.
Hammond #47

Dear Mr. Lesperance:

The allowables for both zones, Mesaverde and Dakota, of the above captioned well are hereby cancelled for failure of the operator to comply with the Rules and Regulations of the Commission.

Authorization to Transport Oil and Gas, form C-104, is also cancelled for each zone.

Cause both zones to be shut-in to avoid the taking of any product from either zone.

If there are questions, please contact us.

Yours very truly,

AK Kendrick
