DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

This well was originally drilled and completed as the El Paso Natural Gas Company San Juan No. 1. This well and the operations thereof have since been transferred to El Paso Natural Gas Products Company, therefore the well will henceforth be known as the El Paso Natural Gas Products Company San Juan No. 1.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
