STATE OF NEW MEXICO

SEDIMENT OIL DESTRUCTION PERMIT

Operator BENSON-MONTIN-GREER DRILLING CORP. hereby requests authority
to destroy the following described sediment oil:

Name of lease WARREN "C"

Location of lease Section 30, Twp. 27N, Rge. 12W, San Juan County

Type of sediment oil (Pit oil, tank bottoms, etc.) Tank bottom

Estimated gross volume, barrels 2

Reason why sediment oil cannot be salvaged: Approximately 2 barrels sediment
oil in test tank. High BS content and small amount of oil make
salvage impractical.
