It is requested that temporary abandonment of the well be approved for one (1) year.  
Also that the well be approved to leave in current condition for the one (1) year.  
The reasons for the request are:

1. The Pictured Cliffs has such a low productivity that the well will not produce in paying quantities.
2. Other wells in area are being recompleted in the Fruitland Coal.
3. Additional time is required to evaluate the well for possible potential production in the Fruitland Coal.
