RE: British-American Oil Producing Co.,
Eleanor Scott No. 3, 850' S/4 and
1850' E/4, 23-27N-11W

Gentlemen:

Following a favorable report from our oil and gas inspector, Al Greer, this will constitute your authority under Oil Conservation Commission Rule 104 to drill the captioned unorthodox location by reason of the extreme roughness of the terrain.

Very truly yours,

Secretary and Director
