Dear Dick:

I think this is one of two copies which were sent to your office on April 30, 1959. They were returned for signature. The operator sent them to us by mistake.

Our files indicate that we have sent an approval twice.

Use this for your second copy.

The Gutherson Type "A" Packer is shown in your catalogue as a non-retrievable, drillable packer.

Yours very truly

A. R. Kendrick
Engineer, District #3
