Gentlemen:

In November, 1957, El Paso Natural Gas Company acquired the Gordon No. 1, located in Unit M, Section 22, T-27, R-10, San Juan County, New Mexico, Fulcher-Kutz Pool.

The name of this well was subsequently changed to the Gordon No. 5, and your office was so advised on Form C-110, which was approved November 20, 1957. The well is still being carried in the San Juan Basin Gas Proration Schedule as the Gordon No. 1. Would you please make the necessary corrections in your records in order to reflect the proper name of this well to the Gordon No. 5.

Very truly yours,

PRORATION DEPARTMENT
