Re: Santa Fe 077951

Gentlemen:

Receipt is acknowledged of your "Notice of Intention to Drill" dated July 20, 1955 covering your well No. 1 McLane-Graham in NW $\frac{1}{4}$  SW $\frac{1}{4}$  sec. 26, T. 27 N., R. 10 W., N. M. P. M., San Juan County, New Mexico, Fulcher-Kutz pool.

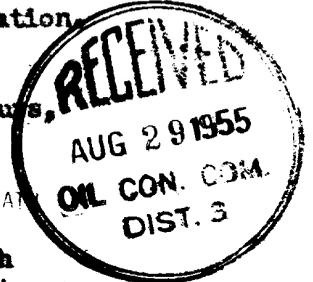

Your proposed work is hereby approved subject to compliance with the provisions of the "Oil and Gas Operating Regulations" revised May 25, 1942, a copy of which will be sent to you on request, and subject to the following conditions:

1. Drilling operations so authorized are subject to the attached sheet for general conditions of approval.
2. Furnish copies of all logs.
3. Approved subject to approval of the New Mexico Oil Conservation Commission of this unorthodox location.

Very truly yours,

(Orig. Sgd.) P. T. McGrath

Dallas, Texas

Dear Sirs:

Enclosed

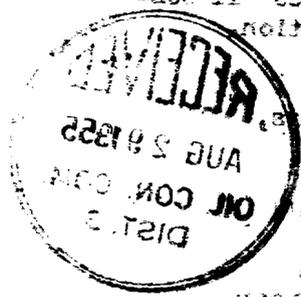

is a copy of your letter of July 23, 1952, regarding your well No. 1, located in the State of New Mexico, and a copy of the report of the geophysical survey conducted on July 23, 1952, at the well location.

The report of the geophysical survey conducted on July 23, 1952, at the well location, is being furnished to you for your information and use. A copy of the report will be sent to you in the near future, and subject to the following conditions:

1. The report is being furnished to you on a non-exclusive basis.
2. The report is being furnished to you for your information and use only.
3. The report is being furnished to you on the understanding that you will not disclose the contents of the report to any other person without the written consent of the undersigned.

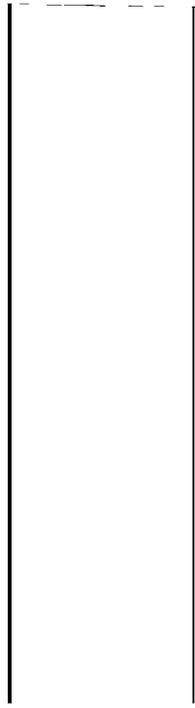

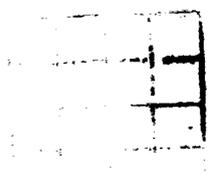

Very truly yours,

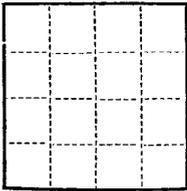

Enclosed is a copy of the report of the geophysical survey conducted on July 23, 1952, at the well location.

S. J. ...  
District Engineer
