Mr. Ralph Hendrickson
Stanolind Oil and Gas Co.
Box 487
Farmington, New Mexico

Dear Mr. Hendrickson: Re your file No. LOS-262-401

I have your letter of August 17 in which you request an unorthodox location in the Angels Peak pool. According to our rules and regulations, I have authority to grant your request, provided that you furnish me with certain facts. You neglected in your letter to state whether Stanolind owns the offset acreage to this 160 on which you propose to drill. I am sending a copy of your letter to Mr. Al Greer with instructions that he should inspect your proposed site and make a recommendation to me. If his recommendations are favorable and your lease lines are proper, then I will approve your location.

Very truly yours,

R. R. Spurrier
