Gentlemen:

Per your letter of December 5, 1963, we enclose the original and three copies of Form C-104, Request for (Oil) - (Gas) Allowable, for the above-captioned well. We inadvertently sent the original submittal of this form to the Santa Fe office.

We are unfamiliar with your request for a deviation tabulation, inasmuch as this well was drilled at a standard location, under a standard permit, and deviation did not exceed 5 degrees. We would appreciate your further advice regarding this matter.

Very truly yours,

W. H. HUDSON
