Re: No. 3 Fairfield
San Juan County, New Mexico

Gentlemen:

We would anticipate the drilling of our No. 3 Fairfield well, San Juan County, New Mexico, in the very near future.

We would propose to drill the No. 3 Fairfield at a location in Unit F, approximately 1980 feet from the north line and 1980 feet from the west line of Section 14, 27N-13W.

Prior to the staking of the location and filing for a permit to drill, please advise as to whether or not our proposed location conforms to the current spacing regulations.

Very truly yours,

W. H. HUDSON
