NEW MEXICO OIL CONSERVATION COMMISSION  
REQUEST FOR ALLOWABLE  
AND  
AUTHORIZATION TO TRANSPORT OIL AND NATURAL GAS

Form C-104  
Supersedes Old C-104 and C-110  
Effective 1-1-65

|                                                                                                                                                                                                                                                                 |  |                         |  |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|-------------------------|--|
| Name of Well Owner                                                                                                                                                                                                                                              |  | Name of Transporter     |  |
| Reason(s) for filing: <input checked="" type="checkbox"/> New Well <input type="checkbox"/> Change in Transporter of: <input type="checkbox"/> Oil <input type="checkbox"/> Dry Gas <input type="checkbox"/> Casinghead Gas <input type="checkbox"/> Condensate |  | Other (Please explain): |  |
| Name of Operator                                                                                                                                                                                                                                                |  | EFFECTIVE MARCH 1, 1967 |  |

If change of ownership, give name and address of previous owner

II. DESCRIPTION OF WELL AND LEASE

|               |          |                                |        |           |
|---------------|----------|--------------------------------|--------|-----------|
| Well Name     | Well No. | Pool Name, Including Formation | County | Lease No. |
| 14            | 27       |                                |        |           |
| Feet From The | Line and | Feet From                      |        |           |
| 14            | 27       |                                |        |           |

III. DESIGNATION OF TRANSPORTER OF OIL AND NATURAL GAS

|                                |                                                                          |
|--------------------------------|--------------------------------------------------------------------------|
| Name of Authorizer             | Address (Give address to which approval copy of this form is to be sent) |
| THE PERMIAN CORPORATION        | P. O. BOX 3119, MIDLAND, TEXAS 79701                                     |
| Name of Authorized Transporter | Address (Give address to which approval copy of this form is to be sent) |
| Oil                            |                                                                          |

If this production is commingled with that from any other lease or pool, give commingling order number

IV. COMPLETION DATA

|                                    |                            |                  |          |          |          |            |      |         |               |

V. TEST DATA AND REQUEST FOR ALLOWABLE OIL WELL

Test must be after recovery of total volume of load oil and must be equal to or exceed top allowable for this depth or be for full 24 hours

|                          |                 |                 |                                               |
|--------------------------|-----------------|-----------------|-----------------------------------------------|
| Date First New Drilling  | Trucks          | Date of Test    | Producing Method (Flow, pump, gas lift, etc.) |
| Length of Test           | Tubing Pressure | Casing Pressure | Stroke Size                                   |
| Actual Prod. During Test | Oil - Bbls.     | Water - Bbls.   | Gas - MCF                                     |

GAS WELL

|                                  |                           |                           |                       |
|----------------------------------|---------------------------|---------------------------|-----------------------|
| Actual Prod. Test - MCF          | Length of Test            | Bbls. Condensate/MMCF     | Gravity of Condensate |
| Testing Method (pump, back prod) | Tubing Pressure (Shut-in) | Casing Pressure (Shut-in) | Stroke Size           |

VI. CERTIFICATE OF COMPLIANCE

I hereby certify that the rules and regulations of the Oil Conservation Commission have been complied with and that the information given above is true and complete to the best of my knowledge and belief.

D. D. Delaney

OIL CONSERVATION COMMISSION

APPROVED

BY

TITLE

This form is to be filed in compliance with RULE 1104.

If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviation tests taken on the well in accordance with RULE 1101.

All sections of this form must be filled out completely for allowable on new and recompleted wells.

Fill out only Sections I, II, III and VI for changes of owner, well name or number, or transporter, or other such change of condition.

Separate Forms C-104 must be filed for each pool in multiply completed wells.
