Box 38
Hobbs, New Mexico

Gentlemen:

Your well Marshall "A" #6, located NE 14-27-5, is listed in our records and has been ready for production since September 5, 1961.

Due to necessary forms not being filed with the New Mexico Oil Conservation Commission in Aztec, we do not have the authority to produce this well.

Please advise.

Very truly yours,

EL PASO NATURAL GAS COMPANY
