Dear Mr. Arnold:

In response to your request of November 2, 1954, we are submitting herewith, in quadruplicate, Form C-110, covering the change in operators and ownership affecting the H. K. Riddle #1 well, located in the SW/4 SW/4 of Section 7-27N-12W, San Juan County, New Mexico.

It is regretted that this matter was not attended to at the proper time. However, there were so many parties involved in the transactions and the responsibility was so divided, that the filing of this particular form was inadvertently overlooked. It is hoped that you will be able to adjust your records retroactively to the date of actual transfer of ownership.

We are also inclosing for your information a photostatic copy of the Designation of Operator that was executed by Mr. C. J. Lilly on July 1, 1954. McConnell Drilling Corporation has been preparing and filing all of the necessary production reports since that date.

Very truly yours,

McCONNELL DRILLING CORPORATION
