British American Oil Producing Company  
Box 749  
Dallas, Texas

Gentlemen:

Your well, Gov't Fullerton #7, located SW 11-27-11, is tied in and has been ready for production since March 6, 1961.

Due to necessary forms not being filed with the New Mexico Oil Conservation Commission in Aztec, we do not have the authority to produce this well.

Please advise.

Very truly yours,

EL PASO NATURAL GAS COMPANY
