Re: Tidal Oil Co. #1 Tidal
SE Sec. 9-27N-12W

Gentlemen:

By receipt of letter from Emery C. Arnold, dated September 28, 1962, we have been informed that both of your offices are to also receive the monthly production Form C-115. To date, we have sent copies only to the Commission's office in Santa Fe, the only distribution noted in the Tidal Oil Company files.

As you have been informed, Tidal Oil entered bankruptcy in the U. S. District Court on January 25, 1962 and on February 16th, Mr. Carl A. HOuy was appointed Trustee. For some six months thereafter, the files were all in the custody of the court. After their release, this office attempted to bring all production and accounting matters up to date; therefore, all delinquent reports were distributed as noted in the files, which accounts for the fact that your office did not receive this report.

We are sorry for this error on our part and in the future you shall receive this report currently. We are enclosing the January through August, 1962 reports herewith.

If there are any other reports which your office requires, please advise.

Yours very truly,

Helen P. Koch
Secretary to Mr. Houy
