Gentlemen:

Our records reflect that 1971 Packer-Leakage Test Reports have not been received in this office for the following multiple completions operated by your company in District #3.

Gulf Oil Corp., Fullerton Federal #6, E-11-27N-11W

The multiple completion orders issued for these wells specifically require that communication tests be conducted annually and submitted to the Commission for approval.

Please be advised that shut-in orders will be issued on any of the above listed wells for which packer leakage test reports have not been received effective twenty days from this date.

Test schedules must be filed with this office prior to commencing tests.

Yours very truly,

Emery C. Arnold
