Gentlemen:

We have been notified that the El Paso Form C-114 shows a well in the South Blanco Pictured Cliffs Pool known as the Petro Atlas #1 Aztec, F-8-27N-9W to be operated by Hidden Splendor.

Our records indicate that Petro-Atlas is the operator and we note that Petro-Atlas has been filing production reports. Will you please notify El Paso of their error or if Hidden Splendor is the operator, please notify them that Form C-110 changing ownership must be filed in quadruplicate with this office.

Yours very truly

*Emery C. Arnold
Supervisor, District #3*
