Re: El Paso Natural Gas Company well Hughes 2-3 (DM)
N 3-27-9, San Juan County, New Mexico.

Dear Mr. Arnold:

Enclosed herewith is the 1958 Annual Packer Leakage Test for the above captioned well. This test indicates there is possible communication between the two producing zones.

This well is being turned over to the Petroleum Engineering Department for further testing and remedial work as needed.

Yours very truly,

H. L. Kendrick
Gas Engineer
