Dear Mr. Arnold,

Western Natural Gas Company respectfully requests permission to flow the above mentioned well from March 31, 1963 through April 22, 1963 and April 29, 1963 through May 6, 1963. This request is submitted to enable us to obtain the annual deliverability and annual packer leakage tests. Upon completion of the two flow periods the well will remain shut in until further notice from your office.

The well was shut in on Gas Supplement No. (NW) SF 3711 effective March 1, 1963.

Very truly yours,

WESTERN NATURAL GAS COMPANY
