Dear Mr. Carothers:

This is in reply to your letter of October 2, relative to the location which is 660' from the north and east in Section 5, Twp. 27N, R. 10W.

On Page 61 of the Commission's Rules and Regulations, under Paragraph C, section 1, Order No. 748, you will see that a well located in the Kuts-Fulcher must be not less than 990' from the unit boundary. The location is therefore unorthodox and I cannot approve it unless you can qualify under one of the paragraphs under Rule 104, Page 9 of the Rules and Regulations.

If you cannot qualify under these rules then you may apply for open hearing.

Very truly yours,

STATE OF NEW MEXICO
