Mr. Ted M. White  
300-B 8th Street, N.W.  
Albuquerque, New Mexico

Dear Mr. White:

We have not received the completion reports for your #1 Carter Knowles well as required by the New Mexico Oil Conservation Commission's "Rules and Regulations".

The report is long overdue.

It is suggested that reports for all your wells be filed as soon as possible.

Yours very truly,

A. R. Kendrick  
Engineer, District #3
