

Figure 1. A schematic diagram of the experimental setup. The subject is seated in a chair, viewing a screen displaying a target (a red dot) and a starting point (a black dot). The subject's hand is positioned at the starting point, and the distance between the hand and the target is indicated by a horizontal line. The subject is instructed to move the hand towards the target, and the distance between the hand and the target is measured at the end of the movement.
