**OIL CONSERVATION COMMISSION**

1000 RIO BRAZOS ROAD

AZTEC, NEW MEXICO

August 31, 1965

Mr. Carl E. Jameson  
Aztec Oil & Gas Company  
P.O. Drawer 570  
Farmington, New Mexico

Re: Packer Leakage Test  
Aztec Oil & Gas Company  
Hanks #18, 8-5-27N-9W

Dear Mr. Jameson:

Subject test report received in this office on August 25, 1965  
indicates possible communication between the zones.

Please initiate whatever test is necessary to prove zone separation  
as soon as is practical.

Advise this office of the retest schedule.

Yours very truly

A. R. Kendrick  
Engineer, District #3
