

July 26, 1966

United States Geological Survey
Box 959
Farmington, New Mexico

Gentlemen:

Attached are revised plats on the Hanks #18 dual Dakota and Pictured Cliffs well in Section 5, T-27N, R-9W, San Juan County, New Mexico.

The revised plats are necessary to correct the dedicated acreage brought about by resurvey of Section 5. The revised dedicated acreage to the Pictured Cliffs is 149.06 acres. The revised dedicated acreage to the Dakota is 298.58 acres.

Yours truly,

AZTEC OIL & GAS COMPANY
