Attn: Mr. Robert Fullop

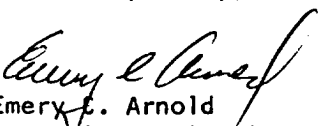

Dear Mr. Fullop:

We have received copies of Federal Form 9-331, Sundry Notice, indicating your intention to convert your Navajo #21, NE Sec. 3-27N-17W, into a water disposal well.

It will be necessary that you submit commission form C-108, "Application to Dispose of Salt Water by Injection into a Porous Formation," to Mr. A. L. Porter, Jr. in Santa Fe in order to secure administrative approval for your disposal plans. Copies should be sent to offset operators and to the land owner, who I presume, would be the Navajo Tribe.

If you need assistance in the matter please contact us.

Yours very truly,

Emery E. Arnold
Supervisor, District III
