Re: Application for Exception to Rule
6 (a) Revised of Order No. R-565,
For Non-Standard Proration Unit,
So. Blanco Pictured Cliffs Pool,
San Juan County, New Mexico

Gentlemen:

El Paso Natural Gas Company hereby submits its application for administrative approval of a non-standard proration unit comprising the Northwest Quarter (NW/4) or (NE/4 NW/4, SE/4 NW/4, Lots 1,2) of Section 31, Township 28 North, Range 8 West, San Juan County, New Mexico, and in support thereof states the following facts:

1. The Schwerdtfeger #8-A Well, located 1452' from the North line and 990' from the West line of Section 31, Township 28 North, Range 8 West, was completed as a gas well on October 27, 1956, and as yet, has not been connected to El Paso Natural Gas Company's gathering system.
2. That the proposed non-standard gas proration unit consists of 153.57 acres which are contiguous quarter-quarter sections and lots.
3. That the proposed non-standard gas proration unit lies wholly within a single governmental section.
4. That the proposed non-standard gas proration unit may reasonably be presumed to be productive of gas.
5. That El Paso Natural Gas Company is the owner of all the interest in Section 31, Township 28 North, Range 8 West, and that the operator owning the only other interest in the acreage offsetting the non-standard proration unit is notified by registered mail of this proposed non-standard gas proration unit.

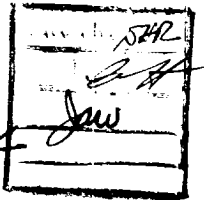

Therefore, El Paso Natural Gas Company requests that under the provision of Ruly 6 (b) Revised of Order No. R-565, the Secretary of the Commission grant exception to Rule 6 (a) without Notice and Hearing, and approve the subject non-standard gas proration unit.

Respectfully submitted,

EL PASO NATURAL GAS COMPANY

By 

Samuel Smith
Ass't. Manager
Lease Department
