17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

It is intended to recomplete this well in the following manner to increase production:

Pull tubing and clean out to 4660' using gas or mud circulation.

Run 2 7/8" casing to 4660' and cement with sufficient volume to fill into the 7" casing.

Perforate and frac one selective zone in the Mesa Verde formation.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
