SW/4 Section 15 **28-N** **9-W** **N.M.P.M.**
Blanco Mesa Verde **San Juan** **New Mexico**

The elevation of the brick floor above sea level is **6004**

DETAILS OF WORK

State, name, and extent of the work done, and the date, time, and place of the work, and the name of the person or persons who did the work.

On 1-15-63, this well was Plugged and Abandoned in the following manner:

1. Spotted a 150 sack cement plug across open hole (3830-4631').
2. Shot 5 1/2" casing @ 1520'. Spotted a 20 sack cement plug across cut-off and pulled casing.
3. Spotted a 20 sack cement plug in surface with a 4' x 4" dry hole marker.

I understand that this plan of work must receive approval in writing from the local surveying office, and that it may be subject to change.
