Att: Mr. L.S. Muennink

Dear Sir:

We have received Notice of Intention to Drill on your #1-A Sanchez in the NE/4 16-28N-9W. Commission rules specify that unorthodox locations such as this is must be approved by the Secretary-Director of the Commission.

To secure this approval the following procedure is necessary:

Write a letter to Mr. W.B. Macey, Box 871, Santa Fe, setting out the reasons for the unorthodox locations. Enclose waivers from the offset leaseholders to the East, which is the direction in which this locations is unorthodox, being only 690 feet from the east line of the Section. If Southern Union owns the offset acreage it should be so stated in the letter.

Mr. Macey will notify this office when the location has been approved and we will at that time approve your Notice of Intention to Drill.

Yours very truly

Emery C. Arnold  
Supervisor, District #3
