Mr. E. S. Walker
Commissioner of Public Lands
Land Office Building
Santa Fe, New Mexico

Dear Mr. Walker:

Enclosed is a Communitization or Pooling Agreement, in triplicate, by which we propose to pool acreage out of State Leases E-9053 and E-2131, Assignment 2, to form a drilling unit comprising the NW $\frac{1}{4}$ of Section 16, Township 28 North, Range 9 West, San Juan County, New Mexico, for the purpose of drilling a well to test the Pictured Cliffs formation.

If you find the document in order we would appreciate prompt approval as we would like to be in position to commence drilling operations within the next week.

Very truly yours,

W. M. Arnold
